Security

To help protect the personal data you transmit through the Driver App, we maintain physical, technical, and administrative safeguards. We update and test our security technology on an ongoing basis. We restrict access to your personal data to only authorized staff members who need access. In addition, we train our staff members about the importance of confidentiality and maintaining the privacy and security of your information.

Sharing information with third parties

We will only share authorised information with third parties, such as agents and service providers, if they are contracted by us to facilitate the delivery of our services to you or if we are under a legal obligation to hand over information to public authorities.

International data transfers

Information we collect from you will be processed by Milence and our contracted third parties, with whom we have a contractual agreement. Contracted third parties may be processing your personal data within and outside the European Economic Area (EEA). When personal data is transferred outside of the EEA, we make sure that the appropriate supplemental safeguards are in place to ensure an adequate level of the protection of your data in accordance with the General Data Protection Regulation (GDPR).

Data retention

We keep your personal data to enable your continued use of our services, for as long as necessary in order to fulfil the relevant purposes described in this privacy statement, or as is required by law.

Your rights

The GDPR provides you with the following rights:

- Right of Access
 - This means you can make a request to obtain access to the personal data concerning you.
- Right to Rectification
 - The right to rectification or correction of your personal data.
- Right to Erasure
 - The right to erasure of the personal data concerning you.
- Right to Restriction of processing
 - This means you can ask us to restrict the processing of your personal data in some circumstances, such as when you contest the accuracy of the personal data.
- Right to Data portability
 - This means that you have the right to receive your personal data in a structured, commonly used and machine-readable format, and that you have the right to transmit that data to another third party of your choice.
- Right to Object
 - This means you can object to our processing of your personal data and ask us to stop such processing at any time if we rely on our own or someone else's legitimate interests to process your personal data or where we process your personal data for direct marketing purposes.
- Right to Object to automated decision-making
 - This means you have the right not to be subject to a decision based solely on automated processing, including profiling. We do not use such automated decision-making in relation to our processing of your personal data described in this privacy statement.
- Right to withdraw your consent
 - If we rely on your consent for the processing of your personal data, such as in the Driver App, you have the right to withdraw that consent at any time.

If you have any questions regarding the processing of your personal data or if you want to exercise the rights described above, you may contact us at privacy@milence.com.

We will handle your request carefully and we will respond within 30 days. If we cannot fulfill your request within 30 days, we will inform you about an expected date on which the information will be provided. Furthermore, we may require more information to verify your identification before fulfilling your request.

You also have a right to lodge a complaint with a supervisory authority. In the Netherlands, the supervisory authority is the Dutch Data Protection Authority ("Autoriteit Persoonsgegevens").

Changes and updates to this privacy statement

As we continuously develop our Driver App, this privacy statement will be updated accordingly. We reserve the right to amend this privacy statement at any time, for any reason. We will publish the amended privacy statement in the Driver App and on our website. If required by law, you will be notified of any major changes to our privacy statement.
